THIS IS FOR YOU, PAT.

The students of Albany Union High School dedicate the 1957 Whirlwind to the memory of Pat Emmons. Many words could be used to describe the way we feel about Pat, but because it is so hard for us to find just the right ones, let us stop and remember. Let us remember the place he filled at AUHS. Let us remember the many times we yelled "Go Pat!" We yelled this loudly from the cheering section; we breathed it quietly from our position in the line, backfield or bench. We will remember Pat for his athletic abilities, but more than that; for his easy manner, for his friendliness, for his humor. We liked having Pat in class, whether we sat beside him or at the desk in the front of the room. We liked having him on the Whirlwind paper staff and Quill and Scroll. Pat was so much a part of our daily lives that most of us did not appreciate him until it was too late. It is through this dedication that we, the students and teachers of Albany Union High School, express our appreciation to Pat Emmons.
